Field	Content
CR ID	CR-01
Date	December 29, 2025
Requested by	Product Owner
Title	Update Login Button Color for Branding Compliance
Description	The current login button uses the default MUI blue (`primary`). The marketing department requires the button to be **Red** to match the new "University Theme."
Priority	Low
Affected CI	`src/app/page.tsx` (Source Code)
Justification	Inconsistent branding affects user experience and violates the Style Guide v2.0
Analysis	Impact: Minimal. Only affects one UI component. Effort: 15 minutes. Risk: Very low.
Decision	APPROVED
Approver	Configuration Control Board (CCB)
